Over-hire Carpenters Job Posting

Dynamic and rapidly growing Brooklyn based fabrication shop is looking for highly-skilled Carpenters to work with us as fabricators and builders on an overhire and project to project basis.

Carpenters are expected to build projects while working closely with other staff members to efficiently and effectively produce a wide variety of fabrication work. Candidates for the position should have either great experience in carpentry based builds or be proficient in most aspects of fabrication techniques within The Factory NYC's scope.

Responsibilities include:

- Fluent in English.
- Good communication and interpersonal skills.
- Ability to read and understand shop drawings.
- Strong math skills.
- Experience and knowledge of hand held and stationary tool use and maintenance.
- Fabrication shop experience.
- Excellent knowledge of wood products and dimensional lumber.
- Must be able to lift 75lbs.

Additional but not required Skills:

- Scenic Work Experience.
- Truck Driving Experience.
- Advanced Metalworking and Welding.

- CNC Milling Experience.
- Rhino and 3D Modeling experience.

Position Type: Overhire

Starting Compensation: \$25hr -\$30hr

This position is Overhire / Project to project and available immediately. This position will include compensation rate commensurate with experience level.

The Factory NYC is a custom fabrication shop now with multiple locations in Brooklyn NY. Although we are primarily a wood fabrication facility, we specialize in all types of fabrication and installation projects. This includes large and small experiential events, architectural millworks, custom art pieces, retail spaces and photo sets. Our facilities have multiple CNC machines, laser cutters, 3D printers, wood and metal shops. The current team has a variety of backgrounds that help us tackle a wide array of builds and we are looking for someone with a varied background and skill set to help facilitate a flexible and readied work environment.
